

SUNDAY OFFERING MADE EASY

Thank you for your interest in OLPH Parish's Offering Plan. This plan allows you to give your Sunday Offering on a monthly basis by direct debit or credit card.

It is the most convenient way to make your Sunday Offering. Your commitment to give this way also ensures that your Sunday Offerings reach us even if you are away or not able to come to our parish on some Sundays. Instead of giving weekly, your Sunday offerings would be simplified to one monthly amount.

The 2nd Collection & Feast day offerings will vary according to the collections you wish to give to and the amounts. Simply select which 2nd collection you would like to give to and fill in the amount you would like to give. If you would rather use envelopes for 2nd Collections and Feast Days, you may choose to do so. If you do not have a box of envelopes already, please call the Parish Office.

For direct debit donations, please fill out the Direct Debit section and attach a void cheque with this completed form.

If you plan to make your donations by credit card instead of direct debit, please fill out the credit card section.

CALCULATING YOUR MONTHLY TOTAL

Q: How do I calculate my monthly Sunday Offering?

A: Your monthly Sunday Offering is a combination of all your Sundays offerings for the month, made in one payment. To work out the total, take your typical Sunday donation for the week and multiply this by 4.3 (the average number of Sundays over 12 months). This will give you the monthly amount.

Example: You give \$25 a week.

Calculate: $\$25 \times 4.3 = \107.50 . This would be the total for your Sunday offerings per month.

DIRECT DEBIT

Sunday Offerings and 2nd collections will be debited from your bank account on the last day of the month or the next working day if it falls on a weekend or stat holiday. Please fill out the name(s) of the account holders from the which donations will be debited. Don't forget to attach a void cheque when you submit this form.
